Member Comments:

I really enjoy getting your replies to my email. Please let me know what's going on in your world. If appropriate comments it will be posted to website. <http://canamnet7153.com/members-comments/> At least send me a quick "HI I got your email" or "dit dah dit" like one member! LOL. Please share what is going on in your world which will be shared to all members via the website. This is our net and our website. Thanks for taking the time to read this email newsletter and to respond.

Here's what's going on in K2KA's world:

Today is 44F ,yesterday was 60F. 1.25 inches of rain yesterday. Here come the black flies and mosquitos! What a roller coaster of weather it continues to be. Upcoming DXpedition is ZS8W Marion Island much needed by a lot of folks. I need on all bands except 40. Six meters has been open to NA short E openings. This week did work Reunion Island FR8UA and FR8TZ on 10 and 15M. Also worked Tanzania 5H1KB on 10M. For more info about me, check out my web-
site and you can see my sta-
