

CANAM NET Weekly Newsletter

Member Shared Articles or News

From K2KA: The ARRL is focused on reducing legal restraints on the ability of American Amateur Radio Operators to engage in the active practice and enjoyment of Amateur Radio. US stations go to <https://send-a-letter.org/hoa/> perhaps RAC will adopt a similar role? Is HOA in Canada a problem for amateurs like US? US stations please share the website with your ham friends. Thanks.

From K2KA: Jim WB2TJO visited Bob AG9C and has a list of items Bob would like members to share. Jim is coordinating and the list is on the website. <https://canamnet7153.com/for-sale/> Shipping costs may need to be paid? Email Jim at WB2TJO@gmail.com. Thanks Bob and Jim.

????????????? From you? Please send K2KA@canamnet7153.com your news, links or articles of interest thanks!!

Here's what's going on in K2KA's world: My daughter was visiting August 31 to Sept 13. Had a great visit. It's great to be doing the newsletter again. Sorry for the lapse in issues. Last one was August 24, 2025. Six meters has been pretty quiet again this week with solar activity down. Conditions on the HF bands have been better and less noisy. I worked E44OM on 15M FT8 for a new country now have #283. For more info about me, check out my website and you can see my station, pics and other info at <http://qrzk2ka.com>

Unsung Heroes of the CANAM Net

The June 29, 2025 newsletter highlighted our "Unsung Heroes" on the CANAM Net. In case you missed it, check it out on issue 14 dated June 29, 2025 of the newsletter, you can find this newsletter on the website: go to the CANAM Net Info and then the CANAM Newsletters, all are listed there. Here's the link: <https://canamnet7153.com/wp-content/uploads/2025/06/CANAMNET-news-06292025.pdf>

CANAM NET Weekly Newsletter

HF Contests: If you want to stay tuned to what contests are coming up go to WA7BNM's website <https://www.contestcalendar.com/weeklycont.php>

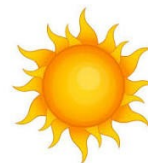

Band Conditions:

On the top of the main page of the CANAM Net website is the Solar Terrestrial Data by N0NBH. It is updated automatically during the day. Also on the website is the description of the solar data and how to interpret. Here is the website: <https://canamnet7153.com/wp-content/uploads/2022/09/k4msu-com-solar-terrestrial-data2-1-1.pdf>
